

## Guide to Temporary Signs

A quick reference on commonly asked questions about residential signage in West Linn. This does not replace Chapter 52 of the CDC which can be found at <http://westlinnoregon.gov/cdc>

### GENERAL RULES

No signs shall be placed in the public right-of-way except on Sundays. See Sunday regulations.

No sign may be illuminated or noise emitting.

No sign shall be painted on or attached to trees, fence posts, telephone or utility poles.

Signs must not obstruct the vision of a driver on any driveway or street or affect pedestrian safety.

All signs shall be kept in good repair and maintained in a safe condition

You will find the guide below as a supporting document
